

### **MTH (MEEEGS Talent Hunt)**

**MEEEGS** is the best Coaching Institute in State Region for Preparing Medical and Engineering Entrance Exams.

Today's career after XII is dependent on the performance at various competitive / entrance exams for admission to higher education. And for higher education, whether it is Engineering or Medicine, one has to compulsorily undertake an entrance exam like JEE / NEET / AFMC / AIIMS, and other competitive examination to perform well to get admission in prestigious colleges.

Today the high school students have no orientation towards competitive exams and they lack the awareness on it. As only competitive exams will decide the fate of a student's career, it is important to have an introduction to such exams at the right time at high school level.

**MTH** is being held every year for the benefit of the students. "**MTH**" is a first exposure of Competitive exams for the students.

### **Objectives of State Level Competition MEEEGS' Talent Hunt:**

- To increase awareness about the competitive exams
- To orient students for National Talent Search Exam, KVPY Science and Maths Olympiads, JEE / NEET / AIIMS & other competitive examinations which the students have to appear to get admission in any professional courses.
- To build the confidence level among the students to face the competitive exams for high school only.
- To bring students in the mainstream of competition.

### **Why "MTH" is important?**

- MTH is designed by a panel of renowned Educationists and Teachers of National repute to make the exam authentic and truly competitive.
- 30000 + students across are expected to appear for MTH.
- The ranking among 30000+ students.

### **Syllabus of "MTH"**

MTH is based on the syllabus studied upto previous standard & half of current year Class X.

### **Study Material**

**MTH** paper will be based on standard text books of NCERT & State Board of respective standard and any other book related to competitive exams.

### **Marking Scheme:**

- The question paper will consist of objective type questions having multiple choices known as MCQ.
- Each question will have four choices as possible answers, namely (a), (b), (c) and (d).
- All the answers are to be marked by darkening the appropriate bubble against the corresponding question.
- Darkening must be done carefully and fully by BLACK BALL POINT PEN ONLY.
- There is no provision of canceling the darkened bubble and marking another bubble. Such answers will be treated as WRONG Answers.
- Questions will be testing the ability of students to apply their knowledge.
- There will be negative marking which mean that for correct answer four marks will be awarded, for wrong answer 1 mark will be deducted.
- Time 2 hours.
